## **NOTICE: END-OF-YEAR TESTING OR TEACHER EVALUATION IS REQUIRED FOR ALL COUNTY REGISTERED HOMESCHOOLERS**

### **Families of Faith Christian Academy International B A S I Testing is open to area homeschoolers**

(BASI) Basic Achievement Skills Inventory, Comprehensive Test

#### NOTICE

All homeschoolers registered with Polk County must either be evaluated by a certified teacher, or submit a standardized test to Polk County Student Services by their enrollment anniversary date. More importantly, you need a standardized evaluation to judge the curriculum you are using and make adjustments, as necessary, for individual students. *Families of Faith Christian Academy* opens its testing to any homeschooler who wishes to test with the school. Families of Faith has used the CTBS-4 for a number of years because it was the test used in Polk County before the state moved to the FCAT. While the CTBS-4 is still available, it has become somewhat dated. (Normed 1988)

The BASI offers several advantages over previous tests.

- Listed by the Florida Dept. of Education as a state-approved test
- Nationally normed, not just Florida-normed (gives you a better assessment)
- Students can be tested individually (large group setting not required)
- Approved by Polk County for "homeschooler" assessment.
- Shorter testing time than previous test (apx three (3) hours)
- Grades 3-12
- Computer generated Student & Parent Summary that is easy to understand
- Scores broken into Reading, Language and Math Subtests
- Each Subtest with percentile rankings, and Grade Equivalent
- Summary of student academic progress detailed in written report
- Two copies of each evaluation provided to the parent (Parent / County)

Seating is Limited, Register Now

Families of Faith Christian Academy International has been successfully testing Polk County homeschoolers since 1995.

Tests are given in a quiet, well-supervised atmosphere, which proves to be especially beneficial to younger students. (We recommend that students in grades 1-3 be evaluated instead of tested.)

The actual time for testing is two and a half hours, but additional time is used with instruction, practice questions and short breaks. Most students will complete the entire testing procedure in three hours.

The student may take additional time on any section as needed, and/or take the test over a two-day period to assure that each student has adequate time to complete the test.

**NOTE:** The number of test booklets and seating is **LIMITED**, and will be distributed on a first-come, first serve basis. The cost is \$49 per student tested. If you need more information, please call the school office at 863-686-7755 or by e-mail at [admin@fofcai.com](mailto:admin@fofcai.com)
