***If possible, complete the application on a computer desktop so the information can be typed onto the form.
If the form is completed by hand, it must be clearly legible to be properly processed by the office.***

Parental Requirements

Enrollment in Families of Faith Christian Academy International (FOFCAI) is a partnership between a family who has the Biblically mandated, and therefore primary responsibility for the education of their children, and who are choosing to enroll in an accredited Christian Private School that follows applicable Florida statutes, and the high standards of national accreditation.

The responsibilities and requirements of both the school administration, staff, and teachers, as well as parents and students are detailed in the Parent/Student Handbook, which is posted on the school's website. By enrolling in FOFCAI, all parties agree to abide by those guidelines.

The parent/guardian information provided below must pertain to the persons(s) ***assuming responsibility for the education of the student*** that will be enrolled in Families of Faith Christian Academy International. Student Cum File Requirements:

Private schools are required to maintain a compliant student Cum File for all students. If the student is a Florida resident, the following items must be provided:

1) **Birth Certificate:** Original or legible copy or other qualified proof of identity.

2) **Immunization Record:**

- Florida State Form DH680 is specifically required if the student is a Florida resident unless the student has Form DH681 Religious Waiver Exception.
- K-6th grade must have a Code 1, or an expiration date that has not passed.
- 7th Grade and after must have a Code 8, or an expiration date that has not passed.

3) **School Physical:**

- The School Entrance Physical must be completed within one year of starting K-5, or upon his or her first entrance into a Florida public or private school.
- A second School Physical is required at the beginning of Grade Six to include scoliosis screening, which is the same as the Postural Assessment.

Academic Assessment Requirements:

For **New Students** other than kindergarten, documentation of previous school or academic progress.

- **Most recent report card** for students entering 1-9 grades.
- **Certified High School Transcript** for students entering grades 9-12 if they have attempted any credits.
 - Transfer students applying for enrollment in FOFCAI are required to provide evidence of supporting documentation to determine academic status. Families of Faith Christian Academy International may require incoming students to take a standardized achievement test if the administration determines a student's records lack appropriate academic documentation.
- **Test Score Reports**, if available.
- **Homeschooling Documentation:** If you have been homeschooling, provide documentation for the past two years. (Three if entering the 12th grade.)

Eligibility for Florida Scholarships (FES-EO, FES-UA, FTC, PEP)

1) **Norm-Referenced Testing:** Except for FES-UA, students in Grades 3 through 10 must take one of the nationally norm-referenced tests identified by the Florida Department of Education. (FOFCAI's national accreditation requires an assessment every year, including 11th and 12th grades.) FES-UA students may be assessed by an alternate assessment method that is agreed upon by both the school and the parent.

2) **Meeting with the School's Principal:** As a component of the enrollment process, the Head of School (Jim Lawson or his designee) must meet with the parent to review school policies, including, but not limited to:

- Academic Programs
- Specialized Services for students with specific learning challenges

 - Code of Conduct.
